

iam happy use vrs video phone is geat for deaf people use it some
time deaf does want use of tdd becuse long d phone bil becuse i
had sornsonvrs100 with me i can move with me went iam move to fla
in summpet there can take any were in u.s but my mother were not
deaf she is hearing i use read lips and sign on vrs but if my
mother want see me on vrs i dont know if hearing people use it some
famly or friends can sign some time or famly does sign use voice
vrs ready voce oper is number one help deaf people iam very so
happy use vrs all year i like thak you for your understanding but
my bill was not in bill vrs that i had road runner higher speed on
vrs better but aol did want join on vrs is better with road
runnier from cable co you take care thak join talk with you had
geat day your deaf mr stephen page thak you
